Thursday, April 18, 2024

On Thursday, the quarterfinals conclude in the Europa League and Europa Conference League.

**Programming is always subject to change.** Besides the exclusive streaming programming listed here, many networks make TV programming available on streaming devices — online, tablets and mobile. Check your local listings and

network programming listings.

(**All times are Eastern unless noted**; all games are live except otherwise noted. Games on same-day delay are included in some cases.)
